Nashik, India

- Percent: 65

Higher Secondary Examination - Class X (SSC) | Kilbil st joseph's high school

03 2011 - 03 2012

Nashik, India

- Percent: 62.73

PROJECTS

JukeBox |  | 

 11 2022 – 12 2022

- The project utilized Java as the primary programming language and SQL as the database
 - It was a console-based application that allowed users to register, login, play songs, and create their own playlists
-

Foodie App |  | 

 02 2023 – 03 2023

- The web project utilizes Angular and Spring Boot in the frontend and backend respectively, and MySQL and MongoDB databases for data storage
 - The website allows users to browse nearby restaurants, add food items to their favorites or cart, place orders, and complete the checkout process.
-
